Rental Apartments

Living off campus can be a satisfying and rewarding experience. Before choosing a residence, you must consider what needs and preferences you have for not only the cost of living and rent, but also the distance from campus, length of lease, roommates and safety, to name a few.

OCL recommends you take your time when looking for off-campus housing. There are more apartments, condos and houses for rent in Gainesville than students to fill them. So, take your time, shop around and sign a lease when you are ready. OCL is here to help you with your search, and we recommend following the steps below to assist you with your housing search.

Don’t rush. Gainesville is a renter’s market, so take your time and enjoy the search. It can be an exciting experience to choose your future home!

**STEP 1: DON’T RUSH**

Most students typically live in 3 or 4 bedroom apartments with each person having their own bedroom and bathroom. Roommates share the kitchen and living room. These types of complexes allow students to meet other students and share in the cost of off campus housing. The average cost for a room in a 4 bedroom complex is $535 - $553 per month.

Most complexes have a cap on utilities. When touring complexes, ask for the cap amount. If you go over the utility cap, the complex will split the difference among the roommates. Some fees associated with signing a lease off campus include application fees, redecoration fees, first and final month’s rent, security deposit, pet fees (if applicable) and cost for furniture per month. Factor these extra costs into your budget as well.

Gainesville also has 3 bedroom, 2 bedroom, 1 bedroom, studio apartments, condos and houses for rent. See the chart on this page and page 10 for average prices.

Keep in mind some of these average costs cover utilities, cable, internet and furniture, while some do not. When taking a tour ask what’s included in the rent.

**STEP 2: BUDGET**

Once you have identified a prospective complex or house at night to check for various night safeguards. Is there adequate lighting? Is the security gate working? Do you need to walk through an unit area to get to the bus or parking lot? How’s the complex noise level? For more safety tips, see pages 21–24.

A great resource to check before signing a lease is City Protect. The City Protect website allows you to see all the crimes that have occurred in certain areas in the past week or month. Go to the City Protect website, cityprotect.com, to search for crime statistics based on address.

**STEP 3: FREE OCL ONLINE HOUSING LOCATOR SERVICE**

Visit OCL’s off-campus housing locator at housing.offcampus.ufl.edu to search our database for off-campus housing.

**STEP 4: TOUR PROPERTIES**

**STEP 5: LEASES**

Once you sign a lease, it is a legal binding agreement and often impossible to break or change. Gainesville has two types of leases: individual and joint.

An individual lease allows all roommates to sign their own lease. Under an individual lease, each roommate is responsible for their own rent. If a roommate does not pay his or her rent, the other roommates will not be held responsible for the rent. The individual lease is the most common lease for 3 or 4 bedroom apartments and is recommended by Off Campus Life.

The other type of lease is the joint lease, which is more common in houses and condos for rent. This lease also requires all residents to sign the lease, but under a joint lease, the landlord can hold the other roommates responsible for the cost if a roommate does not pay the rent. Some complexes require students to have a guarantor or co-signer for their lease. The guarantor is typically a family member or friend who is willing to assume the monthly cost for the rent if for any reason you are not able to pay the rent.

Before signing the lease, make sure the move-in date is before classes begin and the move-out date is after finals are over. Visit the UF Registrar website for academic dates at registrar.ufl.edu.

Off Campus Life suggests you only sign a lease for the length that you need. If you know that you only need or want a 10-month lease, ask the complex to accommodate this need. Most complexes will charge an additional monthly fee for a lease shorter than 12 months, but that cost will likely be less than having to pay for months of rent that you do not need.

Another resource for students at UF is Student Legal Services. You can set up an appointment with Student Legal Services to review the leases you are considering before you sign a lease. Visit the SLS website, studentlegalservices.ufl.edu, and click on apply for services. Even if you are not currently taking classes, you can still take advantage of this resource. Just note on your intake form that you are a new student.

The #1 mode of transportation for students is the Regional Transit System (RTS) bus system. Students pay a transportation fee as part of their tuition. Students simply show their Gator 1 ID and they can take the bus anywhere, both on and off-campus.

More than 90% of students utilize the bus on a daily basis and 90% of apartment complexes are located on the RTS system. To learn more about bus routes and the resources RTS provides, please visit their website go-rts.com.

If you are interested in driving to campus, you must purchase a decal to park on campus between 7:30 a.m.-4:30 p.m. After 4:30 p.m. on weekdays, students are allowed to park on campus in most areas without a decal. Be sure to read the signage for appropriate parking locations and hours.

Subleases

WHAT IS A SUBLEASE? A sublease is when you take over a lease from another person or find someone to take over your lease. For example, if you have an internship in the spring and you have a 12 month lease, then subleasing to another student will allow you to find someone to replace you in the lease and you will no longer be financially responsible for the remainder of the lease. If you are an international student or will graduate early and need a short term lease you can sublease an apartment from another student. Below are some tips to follow to help you with this process.

FINDING SOMEONE TO SUBLEASE YOUR APARTMENT

1. After posting your sublease make sure you respond to all email and phone call contacts about the sublease. This will increase the likelihood of you finding someone to take over your lease.

2. Don’t accept any money or rent from potential people who want to sublease your apartment. Instead, bring the potential sublease person to meet the apartment complex staff and make sure they are aware that this person is taking over your lease. You will then sign a lease with the apartment complex and you won’t be responsible for taking any rent money or paying rent for the remainder of the lease.

3. Make sure you pay any sublease fees and get the proper paperwork from the apartment complex releasing you from your lease. You will typically get this paperwork after the person who has signed the sublease paperwork.

4. Check with your apartment complex management to ensure it is ok for you to sublease your apartment.

5. Ask the management about the protocol and cost associated with subleasing. Some apartment complexes do charge a sublease fee, which should be listed in your current lease.

Subleases

FINDING SOMEONE TO SUBLEASE YOUR APARTMENT

Off Campus Life has the Housing Locator (housing.offcampus.ufl.edu) available on the OCL website where you can post your sublease for rent. To post your sublease listing, click on sign up, click on UF students, create a profile, and follow the steps to post your sublease. This service is FREE to all UF students, faculty, and staff. You need to use your UF (ufl.edu) email to post your listing. It is important to remember that Gainesville has more apartments for rent than people to fill them. Post your listing early and know that listing is not a guarantee that you will find someone to sublease your apartment.

Off Campus Life also recommends that you do the following five things to make sure your sublease process goes smoothly.

1. Check with your apartment complex management to ensure it is ok for you to sublease your apartment.

2. Make sure you pay any sublease fees and get the proper paperwork from the apartment complex releasing you from your lease. You will typically get this paperwork after the person who has signed the sublease paperwork.

3. Look for someone to take over your lease.

4. Don’t accept any money or rent from potential people who want to sublease your apartment. Instead, bring the potential sublease person to meet the apartment complex staff and make sure they are aware that this person is taking over your lease. You will then sign a lease with the apartment complex and you won’t be responsible for taking any rent money or paying rent for the remainder of the lease.

5. Make sure you pay any sublease fees and get the proper paperwork from the apartment complex releasing you from your lease. You will typically get this paperwork after the person who has signed the sublease paperwork.

LOOKING FOR AN APARTMENT TO SUBLEASE

Off Campus Life provides the Housing Locator (housing.offcampus.ufl.edu) where you can search for subleases. To search for a sublease, click on View Rentals, then along the top menu select More and click on Sublet Only. This will bring you to a list of sublease listings and you will be able to review the listings and find a property for the amount of time that you will be in Gainesville. Below are some tips to help you with your sublease search.

• Tour all sublease properties in person before signing a lease.

• Take the opportunity to meet all potential roommates and make sure that you are comfortable living with them.

• Do not enter into just a verbal sublease agreement, you should sign a sublease contract directly with the apartment complex management or landlord.

• Make sure your sublease contract move-in dates and move-out dates coincide with academic dates. Visit the Registrar’s office website registrar.ufl.edu for academic dates.

• By being on the lease, you will be able to take advantage of any property amenities and maintenance services.

• Make sure you make any and all rent payments to the apartment complex manager or landlord.

• UF’s Student Legal Services can review any sublease agreements for free before you sign them. Here is a link to their website (studentlegalservices.ufl.edu). Click on the “apply for services” link to set up an appointment.

Commuter Students

COMMUTING TO GAINESVILLE?

Well, you are the road warriors of UF. Take time to make UF your home away from home. Below is some information to help you with your commuter-student lifestyle.

Traffic: Typically, Newberry and Archer Roads and 34th and 13th Streets have some congestion (especially in the morning and evening commute hours). Plan around these high-traffic times or take a different route to get to and from campus.

Parking Info: You must purchase a parking decal from Transportation and Parking Services to be able to park on campus weekdays between 7:30 a.m. and 4:30 p.m. After 4:30 p.m. and all day on weekends, most, but not all, parking restrictions are lifted. For more information on parking decals, including purchasing info, go to taps.ufl.edu/decals/. For information on alternative transportation options, see taps.ufl.edu/alternative-transportation/.

In addition to parking on campus, you could park at the Oaks Mall for free and then take an RTS bus to campus. Also, some businesses in the area north of University Avenue and close to campus sell parking spots for either an entire semester or per day.

RTS Bus System: RTS, Gainesville’s local bus system, is available to UF students. Routes run all over campus and Gainesville. To ride, students must present their Gator ID to the driver. For bus routes and maps, go to go-rts.com.

Scheduling: Try to arrange your class and work schedule so you don’t have long gaps of waiting time between classes and shifts.

GETTING CONNECTED

If you can’t arrange your schedule this way, use your time efficiently by studying or doing homework. Avoid having to drive back and forth from home by making your schedule more compact. Many on-campus jobs will work around your class schedule, look into this option if you want to gain work experience, make some cash, meet new people and get involved on campus.

Noteworthy Places On Campus: The UF Libraries, the Reitz Union, the Hub, and Newell Hall are good spots to rest or do work in-between classes. Bring your laptop and use the free WiFi connections on campus.

In Gainesville there are rental houses all throughout the city. Renting a house differs from renting an apartment. By following the tips and resources below, you can discover if a rental house is the right fit for you.

HOUSE SEARCH
To find a rental house you can visit the OCL website and search through the Housing Locator housing.offcampus.ufl.edu. The majority of landlords list available rental houses by placing a sign in the front lawn of the available house. A good place to start your search is by driving around the areas that interest you and your roommates, then contact the landlord to set up an appointment to tour the house. Remember NEVER sign a lease for a property that you have not seen in person. See pg. 6 for a list of questions to ask when touring a property.

AVERAGE COSTS

Rental houses vary in size and cost, but on average the total monthly cost to rent a house is $1,500-$3,000.

When considering your budget for a rental house, be mindful that it is the resident’s responsibility to provide furniture and to set up service for utilities, internet and cable. The homeowner will not typically provide additional amenities. Keep in mind deposits, fees, and the first month’s rent is often required before financial aid has been dispersed in the fall.

LEASES

Rental house leases are usually for twelve months and begin at varied times of year, so make sure you visit the Registrar website registrar.ufl.edu and bring the academic dates with you when signing your lease. Rental house leases are usually joint leases meaning all the roommates will sign the lease and be jointly responsible for rent and damages.

OCL recommends you read the lease carefully before you sign it. Once you sign a lease, it is a legal binding agreement and often impossible to break or change. Uf has a great office, Student Legal Services, that can review the lease with you for free before you sign it and answer legal questions or concerns you have while a full-time student at Uf. See page 15 for more information about Student Legal Services or visit the SLS website studentlegalservices.ufl.edu to set up an appointment.

SAFETY

When you are taking a tour of a house, check all exterior doors for working deadbolts, peepholes on entrance doors and working exterior lights. Also, go back at night to check the house and street lighting and take the route to campus that you will walk or bike and ensure there is adequate lighting. Check crime statistics through the City Protect website cityprotect.com. This online service is a searchable map that allows you to enter the house address and check crime statistics for the house and neighborhood before signing a lease.

EXTRA RESPONSIBILITIES

Most rental houses do not come furnished, and you will be required to provide your own furniture. Some rental houses require you to do yard work and you will be responsible for putting out your own garbage and recycling on the appropriate days. Communicate well with your landlord and read the lease carefully to be fully aware of your responsibilities before signing a lease.

CITY CODES

There are several city codes you need to be aware of if you are thinking about renting a house. More information about the following codes can be found through the City of Gainesville website cityofgainesville.org. OCL recommends you visit their website and search for the Landlord License and Points Lookup.

Parking: Every rental house has a designated parking area. Your landlord should provide this plan to you. It is important to park within the area and never park vehicles on the lawn or on a neighbor’s lawn. Parking improperly can result in a citation, fine, and points on your Landlord’s License.

Scooters must be parked in designated parking locations. Never park scooters in your yard, on grass, blocking driveways, or on your neighbor’s lawn.

City Parking Decals: Some neighborhoods require residents to purchase a city parking decal if you want to park on the street. There will be signs on each block indicating if a decal is required. Visit the City of Gainesville website cityofgainesville.org for decal costs and to apply online.

Tentant Bill of Rights and Responsibilities: As part of the Gainesville City Code tenants living within the City of Gainesville have certain rights provided by the City Code of Ordinances in two broad categories – the right to rental housing without discrimination and the right to rental housing that meets minimum living standards. Visit the City of Gainesville website at cityofgainesville.org for more information.
International Students 🧘‍♂️

UF has many resources and services specifically catered toward the needs of international students. Check out the International Center’s website for more information at internationalcenter.ufl.edu.

WELCOME TO THE USA! 🌍

Gainesville is a great mid-size city with lots of fun activities both on and off-campus that will provide you with the opportunity to learn more about the city and U.S. culture. We also have great restaurants, public transportation, mild weather and abundant housing. We hope the information provided in this section will help you to embrace Gainesville, the U.S. and to have an effortless transition to a new culture.

HOUSING 🏡

OCL knows that international students often study for varying amounts of time, anywhere from two months to multiple years. That is why it is important to talk to the apartment management and ask if they can provide you with the lease length that you need. Most properties in Gainesville rent apartments by the year, 12 months, and a short term lease is usually 10 months or 6 months. Short term leases, which is any lease less than 12 months, will usually require an additional monthly fee of $50 per month in addition to your monthly rent. Another option for short term housing is to sublease an apartment from another student. Visit the OCL Housing Locator housing.offcampus.ufl.edu to search for housing based on lease length, sublease, number of bedrooms, locations, price and several other criteria.

Some apartments are all-inclusive, which means that you pay a monthly fee and that fee includes rent, utilities, cable, internet and furniture. We recommend this type of housing for all students including international students. You pay one monthly fee and it will include everything related to your housing and you will not be required to set up utilities or other services. Students typically live with roommates. Having roommates has two benefits, you get to meet new people and it helps to reduce your monthly housing costs. When touring properties you need to ask questions about the deposit cost and whether that money will be refunded after your lease is over. See page 6 for a list of questions to ask when touring apartments.

In addition to the deposit there are also some additional costs when renting, see the Rental Apartments section on pages 4-6 in the Gator Guide for steps to follow, average costs and questions to ask when touring apartments. Once you sign a lease in Gainesville it is a legally binding agreement, that means you cannot change your mind. Take your time and do not rush into signing a lease.

Finally, be sure to bring a copy of your lease to Student Legal Services on the 3rd level of the Reitz Union before signing the lease. You can set up an appointment by visiting the SLS website and completing the client intake form at studentlegalservices.ufl.edu.

Renters Insurance

If you live in an apartment or a rental house, renters insurance provides important coverage for both you and your possessions. Some rental properties require rental insurance.

A standard renters policy protects your personal property in case of theft or damage and may pay for temporary living expenses if your rental is damaged. It can also shield you from liability. Your personal property is not the responsibility of your apartment management or landlord unless you can prove negligence.

Proving negligence in court may be extremely difficult. That is why it is very important to have renters insurance. There are several types of residential insurance policies. Read your policy information carefully to ensure you have adequate coverage.

**POLICIES SHOULD INCLUDE THE FOLLOWING ITEMS**

- Personal Property
- Loss of Use
- Medical Payments
- Liabilities
- Additional Living Expenses
- Loss Assessment
- Condominium
- Renters

**RENTERS INSURANCE**

1. **Personal Property**
   - Protects your personal property from theft, fire, or other covered perils.
   - Coverage limits are typically around 10 to 20% of your personal property value.

2. **Personal Liability**
   - Covers damages to others for which you are held liable, except as limited or excluded by the policy.

3. **Medical Payments to Others**
   - Pays for medical expenses for minor injuries to others even if you are not at fault. The policy normally includes limits of $1,000-5,000 per person.

4. **Property Damage**
   - Covers damages to others or their property.

**OTHER POLICY CONSIDERATIONS**

- **Replacement Cost or Actual Cash Value**
  - **Replacement Cost** provides coverage for the cost to repair or replace personal property without depreciation being taken from the value of the property.
  - **Actual Cash Value** would only pay what your property was worth at the time of loss.

**NOTE:** Flood damage is not covered and requires a separate policy.

- **Fire or Lightning**
- **Windstorm or hail**
- **Explosion**
- **Riot or civil commotion**
- **Aircraft**
- **Vehicles**
- **Smoke**
- **Electrical surge damage**

**A RENTERS POLICY COMMONLY CONTAINS FOUR SEPARATE SECTIONS**

- **Personal Property** provides protection for your personal property, such as furniture, clothing and electronics. This coverage limit is chosen by you when you purchase the policy.
- **Loss of Use** covers some of the additional expenses you incur when your apartment cannot be used because of an insured loss. This part of the policy will usually only cover about 10 to 20% of your personal property value.
- **Personal Liability** covers damages to others for which you are held liable, except as limited or excluded by the policy.
- **Medical Payments to Others** pays for medical expenses for minor injuries to others even if you are not at fault. The policy normally includes limits of $1,000-5,000 per person.

As in any relationship, communication is key. If you are considering having a roommate(s), do not assume another person knows what you’re thinking. Share your expectations about all lifestyle topics including household chores, a rent/bill payment schedule, groceries, having company over, etc. Make sure each party understands the expectations. Compromise each of your needs and wants to make sure that all parties are being fairly heard and respected.

Having roommates can be a good way to meet new people, learn and practice effective communication skills, and save on living expenses. If you feel that having a roommate is right for you, consider the following before choosing the person you will be sharing a living space with:

**Roommate Matching vs. Roommate Placement**

Many apartment complexes offer roommate matching or roommate placement to help you find a roommate.

**Roommate matching** occurs when you fill out a form of preferences including living habits, cleanliness, interests, etc. Apartment management attempts to match you with compatible roommates using this form.

**Roommate placement** is when apartment management will place you in any open space with no consideration of your living habits. In either situation, make sure you can switch rooms if the apartment management places you with roommates with whom you are not compatible.

**How to Pick a Roommate**

Think of your daily living habits. Are you messy or neat? Do you like having people over or do you prefer your home to be your personal place of solitude? Think of someone who has a similar lifestyle and whose habits you can live with. Communicate your needs and expectations to ensure a healthy living situation.

You also should talk to your roommates about buying food. Make sure your roommates agree that everyone chips in to buy and share all the food, or you each buy your own food and agree not to eat from each other’s supply.

Before you move in, discuss with your roommates what everyone is bringing. Once everyone arrives, organize a group meeting to discuss how things will work. Make sure you have a good idea of everyone’s habits before agreeing to live together. Remember that everyone is going to be different.

**WHAT TO DO WHEN YOU CAN’T SOLVE ROOMMATE ISSUES**

The most common problems arise when little issues become big ones because they are not addressed early on. Remember, ignoring a problem doesn’t make it go away. Identify problems, their causes, and what each roommate can do to solve them.

SAFETY

Lots of crime is preventable, but only if you take basic steps to protect yourself and your belongings.

Here are some easy ways you can protect yourself and your residence from crime.

**PERSONAL SAFETY**

- Be aware of your surroundings at all times.
- Be mindful of what’s going on while you’re on the phone or while wearing headphones.
- Do not walk or exercise alone at night outdoors. If you’re on campus, you can call for SNAP service (352) 392-SNAP (7627) or download their app, TapRide (for a free ride to and from anywhere on campus).
- Do not get in a vehicle with a stranger for any reason. Do not pick up hitchhikers.
- Walk in groups and stay in parts of town that are well lit and familiar.
- If you encounter a phone or home solicitor, do not give them any personal information including address, phone number, social security number or credit card information. Do not let them in.
- If you ever feel uncomfortable, go to another area where you feel safe or just leave the situation entirely.
- Consider downloading the GATOR SAFE app. This app pairs mobile GPS technology with existing campus safety infrastructure and allows students to summon help with existing campus safety infrastructure (unconsciousness, cold, clammy, pale or sweaty). Use the buddy system and never leave your drink unattended.
- Choose not to drink or go to a place where the main activity is not drinking.
- Plan how you will get home before going out. Use a designated, sober driver. Know the RTS Later Gator routes and times, cab numbers and have enough fare money. Also, download Uber and Lyft apps.
- Be aware of your surroundings. Use the buddy system and never leave your drink unattended.
- Be on the lookout for friends who you think may be under the influence of alcohol.
- Choose to drink with people you know.
- Choose not to drink or go to a place where the main activity is not drinking.
- If you choose to drink, remember that an individual cannot legally consent to sexual activity if he or she is drunk (Blood Alcohol Concentration is .08 or Higher).
- Know the signs of alcohol poisoning (unconsciousness, cold, clammy, pale or blush skin, slow or irregular breathing, vomiting while passed out, etc.) and call 911 immediately.
- If you are the host of a party, you can be held liable for the actions of your guests.

**PARTY SAFETY**

You must be 21 or older to drink alcohol. If you choose to drink alcohol, be sure to do so responsibly.

UF and the City of Gainesville take alcohol-related rules and regulations seriously, so be aware that inappropriate and potentially harmful behavior will not be tolerated and may be punishable.

If you choose to drink, remember that an individual cannot legally consent to sexual activity if he or she is drunk (Blood Alcohol Concentration is .08 or Higher).

- Avoid playing drinking games. They can cause you to drink too much too fast.
- Pace yourself to one or fewer drinks per hour. Alternate drinks with non-alcoholic drinks, such as soda or water.
- Keep track of how many drinks you consume and choose a pre-set limit or limit the number of hours you drink and do not exceed that number.
- Eat a meal before and/or during drinking preferably with protein.

**SAFETY IS A BIG TOPIC FOR EVERY COLLEGE STUDENT; UF IS A BIG CAMPUS AND GAINESVILLE IS A BIG CITY. IF YOU KNOW WHERE YOU’RE GOING, TRY TO STICK TO TRAVELING IN GROUPS, STAY ALERT, AND YOU SHOULD FEEL SAFER. IF YOU EVER FEEL UNSAFE, OR WANT TO BE BETTER PREPARED, THERE ARE A VARIETY OF RESOURCES WITH UFPD, GPD, AND EVEN SANTA FE TO HELP KEEP YOU SAFE.” - EMILY MIMS, OCA VICE PRESIDENT

**APARTMENT/HOUSE/CAR**

- Keep your doors/windows to your apartment/house locked at all times.
- Keep bicycles and scooters locked up at all times.
- Keep car doors locked at all times.
- Do not leave valuables in your car. Laptops, textbooks or clothing are items easily stolen and often entice thieves.
- Ensure you have and use a peephole on your front door before opening the door.
- Don’t open your door to strangers and do not let delivery people into your home.
- Only let maintenance workers in if the complex management or your landlord has contacted you to inform you of the date, time and reason for their visit.
- As you are moving in and out, protect your belongings by locking your apartment, house and car doors during trips to and from your car.
- Ensure that the trees and shrubs around your apartment/house doors and windows are cut back enough so they don’t obscure your view out of your apartment.
- Make sure apartment complex lights are working.
- Contact apartment complex management or landlord for yard work and exterior lighting maintenance immediately.
- If you see someone suspicious, call the police immediately and notify your apartment complex management or landlord.
- There are several alarm companies in Gainesville. Some apartment complexes offer wired systems in their apartments. If you want to add an alarm system, ask your landlord or apartment management before you contract for installation.

**OCL ADVICE**

Be safe when using Facebook and other social media sites. We recommend setting your privacy settings to ‘friends only’ for any personal information and photos.

Refrain from posting your address or phone number, and don’t leave messages that let people know you are not going to be home.

**VICTIMS SERVICES**

The Office of Victim Services provides a civilian support person for anyone who may become a victim of crime while on the University of Florida campus. A Victim Advocate is available 24-hours a day, seven days a week, to provide support for victims of actual or threatened violence. All services are free and confidential. As such, victims may use the services of an advocate even if they decide to not officially report the crime to a law enforcement agency. When victims do report the crimes, a Victim Advocate will accompany and support victims through all stages of the criminal justice process.

A Victim Advocate also provides emotional support and can assist with referrals for counseling and other services that may be required. A Victim Advocate can be reached 24-hours daily through the University of Florida Police Department’s dispatch center at (352) 392-1111. Victims may also contact an advocate directly on weekdays (Monday-Friday) between 8:00 a.m. and 5:00 p.m. By calling (352) 392-5648.

HURRICANE SAFETY
10 steps to prepare for a hurricane or severe weather:

Hurricane season is June 1st—November 30th

1. Prepare a Disaster Supplies Kit and a Personal Evacuation Plan. Identify where you could go ahead of time. If you are told to evacuate choose several locations and keep directions and contact information ready.

2. Create a communication plan with family and friends. Talk with family about your plans for evacuation during a storm.

3. Stay informed. Check websites, listen to the radio or watch TV for the latest weather updates. If you are told to evacuate, do so immediately.

4. Take these items when evacuating. Prescription medications, cash, sleeping bag, pillow, water, non-perishable foods, first-aid kit, battery operated radio, flashlight, batteries, car keys, cell phone, maps, directions, shelter locations, shelter contact information, driver’s license, social security card and insurance papers.

5. Follow these steps before evacuating: Unplug all electrical appliances, move all valuables off the floor to avoid damage in case of flooding, close blinds and curtains, close and lock apartment and home windows and doors.

6. Fill your car’s gas tank and make sure you have cash. You will need three to seven days of cash. You will need three to seven days of cash. Fill your car’s gas tank and make sure you have cash.

7. Don’t forget your pet and remember to bring: food, water, medication, toys, crate, leash and any other pet essentials. Shelters require a crate for your dog or cat, so be prepared.

8. What to do when the hurricane arrives: Listen to the radio or TV, stay indoors and don’t party. This is a time for you to be aware and ready to evacuate if necessary.

9. What to do after the hurricane: Continue to monitor websites, listen to the radio or local TV station for instructions and inspect your home for damage. If the power is out, use flashlights in the dark, not candles. Avoid power lines or plugging in electrical appliances in standing water.

10. More resources: For shelter information, check the UF website ufl.edu, local newspapers, radio stations, or TV news.

For more information, visit the following websites or call the following hotlines:

Moving Out

Just as with moving in, moving out requires planning and work. Plan ahead, get boxes and pack your belongings little-by-little. Get friends and family to help make the moving process a little easier. Below is a moving-out checklist.

1. Check the lease end date. By what date do you need to move out or renew your lease in order to stay?
   - If you haven’t renewed your lease by the landlord’s deadline (which may or may not be the last day of your lease), the landlord may rent the apartment or house to someone else.

2. Don’t wait until the last minute. Do not underestimate the time it takes to pack all your belongings and move. Start packing about 30 days before you need to vacate.

3. Don’t force your pet and remember to bring: food, water, medication, toys, crate, leash and any other pet essentials. Shelters require a crate for your dog or cat, so be prepared.

4. What to do when the hurricane arrives: Listen to the radio or TV, stay indoors and don’t party. This is a time for you to be aware and ready to evacuate if necessary.

5. What to do after the hurricane: Continue to monitor websites, listen to the radio or local TV station for instructions and inspect your home for damage. If the power is out, use flashlights in the dark, not candles. Avoid power lines or plugging in electrical appliances in standing water.

Take immediate action to receive appropriate help (Dial 9-1-1)

COMMUNICATE
Share all known details and information regarding the incident and surrounding circumstances with emergency responders

COOPERATE
Cooperate with all lawful requests from emergency medical responders, law enforcement personnel, and/or university officials
Transportation

No car? No worries! Gainesville offers various ways to get around town without a car.

**WALKING**
Be sure to keep an umbrella with you at all times. The unpredictable Florida weather has plenty of rain with little warning. Also, bring a water bottle to stay hydrated during your walk. Lastly, be safe. Don’t cross the street against the lights, follow all crosswalk signals, stay on the sidewalk, avoid walking alone at night when possible and always be aware of your surroundings.

**BIKES**
Gainesville is the 16th most bike-friendly city in the U.S. and UF has been named one of the ETA’s Best Workplaces for Commuters. Register your bicycle with UFPD in person at the office located on the southeast corner of Museum Road and Newell Drive. UFPO encourages everyone to wear a helmet. If you need one, come to UFPO and claim yours for free. Cyclist should observe all traffic laws FloridaBicycle.dot.org.

**BIKE SAFETY LAWS & TIPS**
Bicycles are vehicles. Traffic violators on bicycles are subject to the same fines as violators in automobiles, $159 for a moving violation, $257 for running a red light, $106- $109 for a non-moving violation and $57.50 for a violation specific to a bicycle operation. For more information, go to police.ufl.edu/services/community-services/bicycle-registration-safety.

- **Wear a helmet while riding a bike and/or e-scooter.**
- **Cyclists must obey all traffic signs, lights and signals.**
- **You must ride on the right side of the road with the flow of car traffic.**
- **When riding on a sidewalk or crosswalk, bike riders must obey pedestrian laws and yield the right of way to pedestrians.**
- **When riding between duck and clown, bikes are required to have a white headlight on the front of the bike and a red light on the rear.** An actual light, not a reflector, UFPO gives these out for free.

**OCL ADVICE**
If you live in a house or apartment complex close to the UF campus you might be eligible for a City of Gainesville neighborhood parking decal. To learn more about decal availability and cost visit the City of Gainesville website cityofgainesville.org.

**REGIONAL TRANSIT SYSTEM (RTS)**
Gainesville’s local bus system has lots of routes that will take you on and off-campus. Students pay a transportation fee as part of tuition that allows you to simply show your Gator 1 card to take the bus anywhere on or off-campus.

**SCOOTERS & MOTORCYCLES**
In order to park on-campus, scooters and motorcycles must have a parking decal. Go to Transportation and Parking Services (TAPS) website at taps.ufl.edu for prices and details. Park only in designated parking locations.

**DECALS**
There are different decals available to students depending on the amount of credit hours earned and whether you live on or off-campus.

**PARKING**
On-campus parking requires a decal. The hours of decal restriction for most areas of campus are between 7:30 a.m. and 4:30 p.m., Monday through Friday. After 4:30 p.m. on weekdays and any time on weekends, you can park in many areas without a decal, however, be sure to read the signage before parking anywhere. Some areas have different hours of restriction or are restricted 24/7, and those restrictions will be listed on the signs.

**APPEALS**
Parking citations may be appealed online at taps.ufl.edu/citations or in person using the self-service computers at the Transportation and Parking Services Customer Relations Office, 1273 Gale Lemerand Drive, Monday through Friday, 8:00 a.m. to 4:30 p.m. Appeals must be filed within 15 calendar days of issuance of the citation to be accepted and usually take between four to six weeks for a judgment to be issued.

**IMPOUND (BOOT/TOW)**
Accumulation of three or more delinquent parking citations that have a remaining balance due will be grounds for impoundment.

Additionally, if you currently have five guilty citations during the academic year and receive a sixth citation during the same academic year, your vehicle may be impounded for excessive citations after receipt of the sixth citation and for each citation thereafter. For additional information on impound rules, go to taps.ufl.edu/parking-info/citations/impound-suspension-information.
ON-CAMPUS RETRIEVAL

Vehicles may be released from impound, 24 hours a day, seven days a week. If you wish to release your vehicle from impound on a weekday, between 8:00 a.m. and 4:30 p.m., you should first contact TAPS at (352) 392-PARK (7275) or visit the TAPS Customer Relations Office, located at 1273 Gale Lemerand Drive. All delinquent citations must be paid before a vehicle will be released. If towed, the tow fee must be paid at UFPD and they will process the vehicle release.

If you wish to release your vehicle from impound at any other time, you must do so at the University of Florida Police Department Office (352) 392-1111, police.ufl.edu. Regardless of which location you release your vehicle from, all delinquent citations must be paid in full, along with an impound fee of $50 in order for the impounded vehicle to be released.

Vehicle impoundment may also result if you:

1. Park in a no parking zone, service area, fire lane or disabled persons parking space.
2. Park in a reserved or restricted parking area.
3. Park obstructing traffic or creating a hazard.
4. Park at a bus stop.
5. Park permanently or abandoned.
6. One or more parking citations have not been paid or appealed within 30 calendar days after issuance of the parking citation.
7. Parking privileges have been suspended.

PAYMENT

Citations may be paid online at taps.ufl.edu or in person at the Transportation and Parking Services (TAPS) Customer Relations Office, 1273 Gale Lemerand Drive, Monday through Friday, 8:00 a.m. to 4:30 p.m.

Payments made at the TAPS Customer Relations Office may be made by cash, check, money order, credit card (Visa or MasterCard) or debit card.

Payments made through U.S. Mail or using the after-hours drop box located outside the TAPS Customer Relations Office.

Payments made via the mail or in the drop box must be check or money order (no cash). Please remember to include your citation number with your check or money order to ensure full credit for your payment.

Checks must be made payable to the University of Florida, and payments should be mailed to:

P.O. Box 112400, Gainesville, FL 32611.

Postmarks are not sufficient to meet payment or appeal deadlines.

Students with delinquent citations may also make payments at Student Accounts in Criser Hall.

PARKING IN THE COMMUNITY

Avoid being towed and/or fined by heeding the following precautions:

- Check for and read all signs that note parking. Some apartment complexes require a parking sticker or decal for parking, while others do not.
- Check with management to see what parking requirements your complex has.
- Do not park in tow-away zones, fire lanes or handicapped spots if you do not have a permit.
- If you are a guest, make sure you park in the proper designated area. Some complexes require a visitors parking pass or have designated spots. Guests can be towed, booted and/or fined for not parking in the proper area.
- If you live in a house, there are city codes regarding parking. Parking is not allowed on the grass or yard on non-game days. Check with the city or your landlord to see where your designated driveway is.
- In some areas of Gainesville, there are parking permit requirements. To get a permit, you will need a letter from management or a landlord. See the City’s website at cityofgainesville.org for more information.

CITY OF GAINESVILLE TOWING

The Gainesville Police Department is responsible for regulating trespass towing within the City limits of Gainesville. Businesses within our city contract with towing companies as a way to ensure that their paying customers and tenants have access to parking.

While it is never a pleasant experience to have your vehicle towed if you park illegally, you do have legal rights that the tow companies must comply with or face civil and possibly criminal penalties.

Some useful facts to remember if your vehicle is towed:

1. The fee to recover your vehicle is $500.00 if you recover your vehicle within the first 24 hours. If you fail to recover your vehicle after that time, the tow company can charge additional fees. Those additional fees are not regulated by the City, but the tow company must have all their fees posted in their office for all to see, and they must also have the fees on file with GPD.
2. Prior to a vehicle, the towing company is required to take the photographs of the violation. The photographs must be made available for viewing between the hours of 8:00 a.m. through 11:00 p.m. Monday through Saturday, excluding holidays.
3. The towing company is required to be open from 8:00 a.m. until 6:00 p.m. on all days they do trespass towing. If a tow company is closed, they must respond within an hour to the tow yard to allow a person to recover their vehicle.
4. If you approach a tow operator at your vehicle, and they have not started to connect your vehicle, they must stop and allow you to recover your vehicle at no charge. If the tow company has started connecting your vehicle, they must release your vehicle upon demand, but they can only charge half the cost of a normal trespass tow.
5. All trespass towing companies must display the “Trespass Tow Bill of Rights” at the business location. If your vehicle is towed, the Trespass Tow Bill of Rights provides you with some of the rights available to you.

These are just a few useful tips the City of Gainesville hopes will help you in case your vehicle is towed.

For more information about parking citations and trespass towing, visit the City of Gainesville website at cityofgainesville.org. To file a complaint please visit the Gainesville Police Department’s website at gainesvillepd.org or call (352) 393-7500.

GEO ADVICE

GPD recommends three steps to secure your scooter: lock the steering mechanism, use a throttle lock that allows you to lock the throttle of your scooter, and attach a U-lock through your front wheel and frame.

“THERE ARE NUMEROUS SIGNS AROUND CAMPUS, THE CITY, AND APARTMENTS ABOUT PARKING. MY ADVICE IS TO READ THEM ALL, KNOWING WHERE AND WHEN YOU CAN PARK AT CERTAIN LOCATIONS CAN DEFINITELY SAVE YOU MONEY. READ, READ, READ! IF YOU ARE NOT SURE IF IT IS SAFE AND LEGAL PARKING, TRY TO FIND ANOTHER PLACE.” - LAKASA JHAN, OCA SECRETARY

20 RULES FOR THE ROAD

1. Carts, strollers, luggage and oversize backpacks are allowed as long as they are able to be folded, stowed or personally held without blocking aisles.

2. Please remember to take all your belongings. Report any suspicious package or activity to the driver immediately.

3. Be at your bus stop five minutes before the bus is scheduled to arrive. When you see your bus approaching, stand by the bus stop sign, then RTS drivers will know to stop and pick you up.

4. Help RTS drivers stay on schedule by having the exact fare, your pass, ADA card or Gator 1 ID (must have the physical ID with you) ready when the bus stops and the doors open. As you board, just show your ID Card or pass to the driver or drop the correct fare into the farebox. Remember, bus drivers don’t carry change, so you’ll need the exact fare.

5. Check the electronic destination signs on the front and sides of each bus to make sure you’re boarding the right one. (RTS would hate to take you somewhere you don’t want to go.)

6. Feel free to listen to music during your travels, however, use of headphones are required. Additionally, the music must not interfere with the bus operator and/or other passengers. Everyone loves music; just not as loud as you do.

7. Please do not leave newspapers or beverage containers on the bus.

8. Eating and smoking are not permitted on RTS buses. Beverages are allowed as long as they’re in a securely covered drink container, as approved by RTS officials. Sorry, no stovetop cups. Pet City of Gainesville ordinance, no smoking is allowed within 20 feet of a bus stop or shelter. This includes vapor and e-cigs.

10. Buses move, sometimes unexpectedly. Please remain seated, or if you have to stand, hold on to a support at all times.

11. No pets are allowed on RTS buses unless they are in a carrier. Service animals are allowed.

12. Children under 40 inches tall are welcome to ride as long as they’re accompanied by an adult or an adult the height is typically marked by a red line on the left side pole when entering the bus.

13. As the bus approaches your destination, pull the buzzer cord or press the button located above the windows. This lets the driver know that your stop is coming. Try to do this about one block before your destination so the driver can make a smooth stop.

14. For your safety, please exit through the rear door and step clear of the bus. After exiting, cross behind the bus, do not cross in front of the bus. Wait for traffic to clear before attempting to cross the road.

15. Passengers should dress properly to ride the bus. This means shirt, shoes and pants are required! Bright colored lights on a bicycle, allow you to see more easily to RTS drivers.

16. Don’t forget to take your things with you when you leave the bus. RTS tries to return as many items as possible, but RTS is not responsible for items left on the bus. If you lose an item, call (352) 334-2600. If not lost and found. 19. For the safety of passengers, when boarding, riding and exiting the bus, only one person is allowed in the wheelchair or scooter. Passengers in a wheelchair or scooter traveling with children who are unable to board the bus without assistance should travel with a Personal Care Attendant (PCA). Service may be refused for passengers who do not comply with this policy.

20. Hoverboards are not permitted on board RTS buses, please leave them at home or risk being denied service.

ENERGY-SAVING TIPS FOR RENTERS

Visit GRU’s Resources for Renters page at gru.com/welcome before you sign a lease on an apartment or rental home. Use the tools to investigate the utility history of your potential new place, manage your electric and water use, and keep future monthly utility bills low. Below are tips for tackling the highest energy users in your new home.

Air Conditioning & Heating

Set your thermostat to 68°F or lower during winter and 78°F or higher during summer. For every degree you stay from the recommended setting, your bill may increase up to 4 percent. Also, keep the thermostat fan in the “auto” position instead of the “on” position.

- Don’t place lamps, TV sets or other heat producers near your thermostat. The thermostat senses heat from these appliances, causing the A/C to run longer than necessary.
- Use fans and keep the A/C at a recommended setting. Turn off fans when rooms are empty.

Water

About 80 percent of the energy used for washing clothes is for heating the water. Try washing clothes in cold water, your clothes will be just as clean as if you used warm or hot water.

- Make sure your dishwasher is completely full before running it then let the dishes air dry. If you don’t have an automatic air-dry switch, turn off the control knob after the final rinse and prop the door open a little.
- Check for running toilets by adding a few drops of food coloring to the water in the tank, if the color shows up in the bowl, contact maintenance to repair the leak.
- Install low-flow showerheads to save 25 to 60 percent in water usage.

Windows

During summer, close your shades to block sunlight, and reduce heat gain and reduce the time the A/C runs.

- During the winter, open your shades during the day to let in heat from sunlight. Close the shades at night to keep heat from escaping through windows.
- Check for windows that are broken, do not close properly, or need to be caulked. Drifty windows can allow your expensive conditioned air to escape.

Waste & Recycling

City of Gainesville, Solid Waste Division cityofgainesville.org/recycle

TOP 10 CURBSIDE MANNERS FOR RENTAL HOUSES

1. Put your garbage, recycling and yard waste out the night before garbage day, and take your containers back up to the house after the contents have been collected. Garbage and recycling containers should be stored, when not in use, out of public view and not visible from the street or by neighbors.

2. You must place yard waste (leaves and small clippings) in reusable cans or brown paper lawn & leaf bags. Lawn and leaf bags can be purchased at any Publix, Home Depot and Lowes. Limbs can be no larger than 5 feet long and 8 inches in diameter or weigh more than 40lbs per piece.

3. Put loose garbage in bags before placing in the cart. This prevents loose garbage from flying out of the cart on windy days and littering the surrounding environment.

4. Never overflow your cart or use your neighbor’s cart. If your cart is full, small clippings in reusable cans or brown paper lawn & leaf bags. Lawn and leaf bags can be purchased at any Publix or Ace Hardware. Place the yellow bags beside your cart (never on top).

5. Place recycling bins at least four feet away from the garbage cart. This prevents the bins from being tipped over by the garbage truck’s automatic arm.

6. Visit cityofgainesville.org/recycle for a list of what can be recycled.

7. Only plastic bottles, jugs, cans and tubs are accepted for recycling. No plastic bags, cups, foam or clamshell containers.

8. Remember, food contaminated corrugated cardboard is not accepted. Only clean, dry corrugated cardboard (no greasy pizza boxes) can be accepted in the City of Gainesville’s recycling system. All boxes must be broken down in 4 x 4 pieces or less and placed in or under the orange bin.

9. All containers must be empty of food residue. Remove and dispose of lids and caps in your garbage.

10. Missed collections can be reported by calling 352-334-2330 or online at cityofgainesville.org/MissedMyTrash.

Thank you to the City of Gainesville and Solid Waste Division for providing this information.

GARBAGE DISPOSAL AND RECYCLING FOR APARTMENT COMMUNITIES

Most apartment complexes provide garbage disposal and recycling in set locations. Contact your management office to determine the nearest location to dispose of garbage and recycling properly. If your complex does not offer recycling, contact the City of Gainesville’s Solid Waste Division Office of Recycling (352) 334-2330.

ELECTRONICS WASTE

Large-sized electronic items can be collected by appointment for homes serviced through the City of Gainesville’s Residential Curbside Program. There is no additional cost for this collection service. Smaller-sized electronic items (cell phones, keyboards, mice, cables, etc.) should be dropped off at the Alachua County Household Hazardous Waste Collection Center or other public drop-off sites.

MISCELLANEOUS ITEMS

To find out how and where you can recycle, donate, compost, resell, repair or properly dispose of almost anything visit the zerowastegnv.com/recycle.

City Codes & Policies

CITY CODES AND STATE STATUTES

There are city codes and state laws all residents must abide by, including regulations on noise, alcohol, parking, etc. For city codes, go to the City of Gainesville website cityofgainesville.org and click on Government Information.

For state statutes, see leg.state.fl.us/statutes. Below are the most common codes and state statutes pertinent to student life at UF.

ALCOHOL

UF and the City of Gainesville are committed to enforcing the laws and ordinances regarding alcohol use and underage drinking. The legal drinking age is 21. Anyone younger than 21 caught drinking, either on or off-campus, can face fines and possible arrest. Consequences may also include possible ramifications from the University.

PARKING

In Gainesville’s residential areas, passenger vehicles are permitted to be parked on approved driveways or designated city street parking with a decal. Parking in the front yard of a residence, other than on an approved surface, is not allowed.

TENANT BILL OF RIGHTS AND RESPONSIBILITIES

As part of the Gainesville City Code tenants living within the City of Gainesville have certain rights provided by the City Code of Ordinances in two broad categories – the right to rental housing without discrimination and the right to rental housing that meets minimum living standards. Visit the City of Gainesville website at cityofgainesville.org for more information.

Contact the City of Gainesville Code Enforcement at (352) 334-5030 for more information.

NOISE

Noise disturbance is any sound which:

- Disturbs a reasonable person of normal sensitivities
- Exceeds the sound level units set forth in the ordinance
- Is plainly audible as any noise or sound that can be clearly heard by a person using his/her faculties at a distance of 200 feet or more from the real property line of the source of the sound or noise.

Basically, if your house is the source of a noise that can be heard from more than 200 feet away, you are in violation of the city noise ordinance. Open House Party states parties that are too large, loud and provide alcohol to people under 21 violate this state statute. If you are the host, you can be arrested.

OCL ADVICE

If a friend is in need of medical attention due to serious intoxication, bring them to the hospital. You cannot be punished for the simple act of taking a friend to the hospital. Your friend’s safety is the most important thing!

OCL ADVICE

Attention Rental Houses: for garbage that doesn’t fit in your receptacle use a yellow bag. On garbage days place yellow bags next to your regular receptacle for pick-up. Yellow bags are available at any Publix and Ace Hardware stores.

Off Campus Ambassadors

**MISSION**
The Off Campus Ambassador (OCA) mission is to connect students to the on and off-campus community by promoting inclusivity, leadership and involvement.

**ALL FOR THE GATORS**
Off Campus Ambassadors is a Registered Student Organization sponsored by Off Campus Life. Their purpose is to be liaisons between on and off-campus students and the resources OCL offers throughout the year. The OCAs attend events on behalf of OCL to bring awareness to issues such as transportation, safety, and pet ownership to students that may be living off-campus or looking to move into the surrounding area.

Each year, the OCAs host a retreat for their members, plan events, recruit new students, and table at various programs. The OCAs pledge to provide service to the community throughout the year. The Off Campus Ambassadors group creates an inviting environment to develop as leaders and connect students to several offices and resources across Gainesville.

All UF students, regardless of if they live on or off-campus, are eligible to apply to become an ambassador.

**TO APPLY TO BE AN OCA, VISIT** offcampus.ufl.edu

**Emily Mims**
**Vice President**
I never thought I would be a UF student, but I have fallen in love with UF and Gainesville as a whole. I’ve learned the most about Gainesville through Off Campus Ambassadors. OCA's has allowed me to develop my logistical skills, while helping educate students about rent and what to do around Gainesville. Not only is OCA's a small community of like-minded individuals, we all participate in activities around Gainesville to grow closer to each other and the city we live in.

---

**Guiliana Garces**
**President**
When I was planning out my transition into college, one of the most important decisions I had to make was my housing situation. I began to do research on both on-campus and off-campus housing and one of the best resources was the Off Campus Life website. It has a ton of information and even helped me find my future home. I followed the Instagram and became very interested in becoming an ambassador to help students like me have all the resources they need to find a home. But a home consists of more than just your apartment. Gainesville has become my home and a big part of that is through my involvement as an ambassador and now President. It has been such a fun journey and I hope to share these experiences with the incoming ambassadors!
Discover Gainesville

Would you like to explore local Gainesville hotspots on and off-campus each month for free? OCL sponsors several events throughout the year to help UF students to be successful living off-campus. Some past events include attending Corks and Colors, Karaoke, a Florida Gymnastics meet, a Gainesville Roller Rebels Derby Bout, performances at the Hippodrome State Theatre, Santa Fe College Teaching Zoo and Planetarium and Paynes Prairie. NUTRITION
You are what you eat. When you think about it enough, that’s a pretty empowering (or scary) thought. If you haven’t already, try your hand at cooking. Cooking saves money and gives you total control of the ingredients you put into your body. Check out recipes for beginner to expert student cooks at allrecipes.com, cookinglight.com, and the Better Homes and Gardens website has great recipes bhg.com/recipes among thousands of others!

UF has great nutrition resources including several nutritionists on campus. The SHCC has a nutritionist; visit their website to set up an appointment: shcc.ufl.edu. UF RecSports also provides Nutrition Services; visit recsports.ufl.edu/fitness/food-services; visit UF RecSports also provides Nutrition Services; visit recsports.ufl.edu/fitness/food-services. GatorWell also provides healthy living presentations and resources at gatorwell.ufl.edu.

SUSTAINABLE SHOPPING
When shopping, bring reusable shopping bags for your groceries and shop for products with less packaging. Recycle produce trays and egg cartons at Publix.

FOOD ASSISTANCE
If you need help paying for your food, food stamps are available for qualified students at myftfamilies.com. You will need to visit the local Office for Family and Children Services to set up an appointment to complete the application. Take ownership of your health and empower yourself through the food choices you make.

UF also has its own food pantry, Hitchcock Field and Fork, that students can take advantage of. Go to pantry.fieldandfork.ufl.edu.
