Rental INFORMATION

Living off campus can be satisfying, rewarding, and can add to a student’s educational experience. Before choosing a residence, you must consider what needs and preferences you have for not only the cost of living and rent, but also the distance from campus, length of lease, roommates, and safety, to name a few.

Off Campus Life recommends you take your time when looking for off-campus housing. There are more apartments, condos, and houses for rent in Gainesville than students to fill them. So, take your time, shop around, and sign a lease when you are ready. Off Campus Life is here to help you search. We have plenty of off-campus housing in Gainesville. Off Campus Life staff are here to help you.” - Nora Kilroy

STEP 2: BUDGET

Most complexes have a cap on utilities. When touring complexes, ask for the cap amount. If you go over the utility cap, the complex will split the difference among the roommates. Some fees associated with signing a lease off campus include application fees, redecoration fees, first and final month’s rent, security deposit, pet fees (if applicable), and cost for furniture per month. Factor these extra costs into your budget as well.

Gainesville also has 3-bedroom, 2-bedroom, 1-bedroom, studio apartments, condos, and houses for rent. See the chart on this page for average prices. Keep in mind some of these average costs cover utilities, cable, internet, and furniture, while some do not. When taking a tour ask what’s included in the rent.

STEP 3: DON’T RUSH

Gainesville is a renter’s market, so take your time and enjoy the search. It can be an exciting experience to choose your future home!

STEP 4: TO PURCHASE

Off Campus Life recommends that you tour at least 5-6 different apartment complexes before you sign a lease off campus. We also advise that you NEVER sign a lease in a complex you have not toured in person.

When taking a tour, check for safety features such as lighting, property upkeep, property amenities, distance to campus, bus stop location, neighborhood features, and supportive property management/landlord. Keep track of your likes and dislikes for each property and refer back when making your final decision.

STEP 5: LEASES

Once you sign a lease, it is a legally binding agreement and often impossible to break or change. Gainesville has two types of leases: individual and joint.

An individual lease allows all roommates to sign their own lease. Under an individual lease, each roommate is responsible for their own rent. If a roommate does not pay their rent, the other roommates will not be held responsible for the rent. The individual lease is the most common lease for 3 or 4 bedroom apartments and is recommended by Off Campus Life. The other type of lease is the joint lease, which is more common in houses and condos for rent. This lease also requires all residents to sign the lease, but under a joint lease, the landlord can hold the other roommates responsible for the cost if a roommate does not pay the rent.

Some complexes require students to have a guarantor or co-signer for their lease. The guarantor is typically a family member or friend who is willing to assume the monthly cost for the rent if for any reason you are not able to pay the rent.

Before signing the lease, make sure the move-in date is before classes begin and the move-out date is after finals are over. Visit the UF Registrar website for academic dates at registrar.ufl.edu. Off Campus Life suggests you only sign a lease for the length that you need. If you know that you only need or want a 30-month lease, ask the complex to accommodate this need. Most complexes will charge an additional monthly fee for a lease shorter than 12 months, but that cost will likely be less than having to pay for months of rent that you do not need.

Another resource for students at UF is Student Legal Services. You can set up an appointment with Student Legal Services to review the leases you are considering before you sign anything. Visit the Student Legal Services website studentlegalservices.ufl.edu and click on apply for services. Even if you are not currently taking classes, you can still take advantage of this resource. Just note on your intake form that you are a new student.

STEP 6: SAFETY

Off Campus Life advises going back to tour a prospective complex or house at night to check for various night safeguards: Is there adequate lighting? Is the security gate working? Do you need to walk through an area unit to get to the bus or parking lot? How’s the complex noise level? For more safety tips, see pages 23-25.

A great resource to check before signing a lease is City Protect. The City Protect website allows you to see all the crime that has occurred in certain areas in the past week or month. Go to the City Protect website cityprotect.com to search for crime statistics based on address.

STEP 7: TRANSPORTATION

The #1 mode of transportation for students is the Regional Transit System (RTS) bus system. Students pay a transportation fee as part of their tuition. Simply show your Gator ID and you can take the bus anywhere, both on and off campus. More than 90% of students utilize the bus on a daily basis and 90% of apartment complexes are located on the RTS system. To learn more about bus routes and the resources RTS provides, please visit their website goRTS.com.

If you are interested in driving to campus, you must purchase a decal to park on campus between 7:30 a.m. - 4:30 p.m. After 4:30 p.m. on weekdays, you are able to park on campus in most areas without a decal. Be sure to read the signage for appropriate parking locations and hours.

To purchase a parking decal visit the Transportation and Parking Services website taps.ufl.edu to complete the online decal form. Decals are connected to your license plate, therefore your decal request is connected digitally to your vehicle.

Also provided by Transportation & Parking Services is UF SNAP. SNAP is a nighttime pick-up and drop-off service available only on the UF campus. To order a SNAP ride download the UF SNAP by Spire app.

Overnight parking on-campus is not available for students living off-campus. For long term storage parking off-campus talk with your property management or landlord or visit the City of Gainesville website gainesvillefl.gov to learn more about garage parking locations and costs.

A sublease is when you take over a lease from another person or find someone to take over your lease. For example, if you have an internship in the spring and you have a 12-month lease, then subleasing to another student will allow you to find someone to replace you in the lease and you will no longer be financially responsible for the remainder of the lease. If you are an international student or will graduate early and need to be financially responsible for the remainder of the lease, then subleasing to another student will allow you to find someone to replace you in the lease.

A sublease is when you take over a lease from another person. Below are some tips to follow to help you with this process.

**FINDING SOMEONE TO SUBLEASE YOUR APARTMENT**

Off Campus Life provides the Housing Locator [housing.offcampus.ufl.edu](http://housing.offcampus.ufl.edu) where you can post your sublease for rent. To post your sublease listing, click on sign up, click on UF students, create a profile, and follow the steps to post your sublease. This service is FREE to all UF students, faculty, and staff. However, you need to use your UF (ufl.edu) email to post your listing. It is important to remember that Gainesville has more apartments for rent than people to fill them. Post your listing early and know that listing is not a guarantee that you will find someone to sublease your apartment. Off Campus Life also recommends that you do the following five things to make sure your sublease process goes smoothly.

1. **Check with your apartment complex management to ensure it is ok for you to sublease your apartment.**
2. **Ask the management about the protocol and cost associated with subleasing.** Some apartment complexes do charge a sublease fee, which should be listed in your current lease. 
3. **After posting your sublease make sure you respond to all email and phone call contacts about the sublease.** This will increase the likelihood of you finding someone to take over your lease.
4. **Don’t accept any money or rent from potential people who want to sublease your apartment.** Instead, bring the potential sublease person to meet the apartment complex staff and make sure they are aware that this person is taking over your lease. They will then sign a lease with the apartment complex and you won’t be responsible for taking any rent money or paying rent for the remainder of the lease.
5. **Make sure you pay any sublease fees and get the proper paperwork from the apartment complex releasing you from your lease.** You will typically get this paperwork after the person has signed the sublease paperwork.

**LOOKING FOR AN APARTMENT TO SUBLEASE**

Off Campus Life provides the Housing Locator [housing.offcampus.ufl.edu](http://housing.offcampus.ufl.edu) where you can search for subleases. To search for a sublease, click on View Rentals, then along the top menu select More and select the sublease semester you need. This will bring you to a list of sublease listings and you will be able to review the listings and find a property for the amount of time that you will be in Gainesville. Below are some tips to help you with your sublease search.

- **Your all sublease properties in person before signing a lease.**
- **Take the opportunity to meet all potential roommates and make sure that you are comfortable living with them.**
- **Do not enter into just a verbal sublease agreement, you should sign a sublease contract directly with the apartment complex management or landlord.**
- **Make sure your sublease contract move-in dates and move-out dates coincide with academic dates.**
- **Visit the Registrar’s office website registrar.ufl.edu for academic dates.**
- **By being on the lease, you will be able to take advantage of any property amenities and maintenance services.**
- **Make sure you make any and all rent payments to the apartment complex manager or landlord.**
- **UF’s Student Legal Services can review any sublease agreements for free before you sign them. Here is a link to their website studentlegalservices.ufl.edu.**
- **Click on the “apply for services” link to set up an appointment.**

As in any relationship, communication is key. If you are considering having a roommate(s), do not assume another person knows what you’re thinking. Share your expectations about all lifestyle topics including household chores, a rent/bill payment schedule, groceries, having company over, etc. Make sure each party understands the expectations. Compromise each of your needs and wants to make sure that all parties are being fairly heard and respected.

Having roommates can be a good way to meet new people, learn and practice effective communication skills, and save on living expenses.

ROOMMATE MATCHING VS. ROOMMATE PLACEMENT
Many apartment complexes offer roommate matching or roommate placement to help you find a roommate. Roommate matching occurs when you fill out a form of preferences including living habits, cleanliness, interests, etc. Apartment management attempts to match you with compatible roommates using this form.

Roommate placement is when apartment management will place you in any open space with no consideration of your living habits. In either situation, make sure you can switch rooms if the apartment management places you with roommates with whom you are not compatible.

HOW TO PICK A ROOMMATE
Think of your daily living habits. Are you messy or neat? Do you like having people over or do you prefer your home to be your personal place of solitude? Think of someone who has a similar lifestyle and whose habits you can live with. Communicate your needs and expectations to ensure a healthy living situation.

WHAT TO DO WHEN YOU CAN’T SOLVE ROOMMATE ISSUES
All relationships, including the one with your roommate(s), require communication and effort. No matter how close you are to your roommate(s), you will need to work together to establish and maintain a positive living environment.

Before you move in, discuss with your roommates what everyone is bringing. Once everyone arrives, organize a group meeting to discuss how things will work.

Make sure you have a good idea of everyone’s habits before agreeing to live together. Remember that everyone is going to be different.

Talk about how you will divide the house cleaning and set standards. It is important that everyone know exactly what is expected in keeping the living space clean. Speaking openly about what you expect from each other and about your personal lifestyle habits are important steps that many people skip, especially when friends are living together.

SOME RESOURCES AND OPTIONS AVAILABLE TO HELP YOU RESOLVE ROOMMATE CONFLICT ARE:
- Off Campus Life’s Roommate Agreement and Chore Chart are two resources to help you establish guidelines and open lines of communication with your roommates. See following pages for both resources.
- Transfer: Talk with apartment management to see if a transfer is possible. Depending on your lease, this may or may not be an option. Moving might require paying a fee.
- Sublease: Make sure that you are able to sublease your apartment according to your lease terms. Bring a copy of your lease to Student Legal Services in 3500 Reitz Union to see if this is an option.
- Tough it Out: If you cannot move, make the most of the situation and act maturely. There is no sense in making the situation worse than it already is, try to continue to communicate positively and respectfully.

DOES YOUR ROOMMATE NEED HELP?
If you are concerned about your roommate and want to help but don’t know how, consult with the CARE office through the Dean of Students Office. Visit umatter.ufl.edu for more information.

LANDLORD AND TENANT COMMUNICATION
Make sure to talk to your apartment management team or landlord about any concerns you have with their property, from repairs to roommate issues. Keep them involved in your experience because they can be valuable assets. Make sure you get any agreements between you and your landlord or apartment complex management in writing. If your landlord refuses to make repairs or hold up their end of the lease, get legal assistance from UF’s Student Legal Services office studentlegalservices.ufl.edu.
OFF-CAMPUS ROOMMATE GUIDE

OFF-CAMPUS LIFE recommends that students complete a roommate agreement the first week they move in together. The contract is designed to give you the opportunity to establish some basic guidelines about the details of your living arrangements. We encourage you to sit down and discuss each section, while remaining as truthful as possible. Be sure to post the written agreement in a prominent place, such as the refrigerator.

SETTLING EXPECTATIONS
No matter how close you are to your roommate(s), you will need to work together to establish and maintain a positive living environment. The most common problems arise when little issues become big ones because they are not addressed early on. Remember, ignoring a problem doesn’t make it go away. Identify problems, their causes, and what each roommate can do to solve them. OFF-CAMPUS LIFE also recommends face-to-face communications when issues arise.

MOVING OUT

Just as with moving in, moving out requires planning and work. Plan ahead, get boxes, and pack your belongings little-by-little. Get friends and family to help make the moving process a little easier. Below is a move-out checklist.

☐ Check the lease end date. By what date do you need to move out or renew your lease in order to stay?

If you haven’t renewed your lease by the landlord’s deadline (which may or may not be the last day of your lease), the landlord may rent the apartment or house to someone else.

☐ Don’t wait until the last minute. Do not underestimate the time it takes to pack all your belongings and move. Start packing about 30 days before you need to vacate.

☐ Donate. Pack up in stages to allow yourself time to sell, donate, or find homes for things you no longer need or should not be disposed of with standard curbside or dumpster garbage. Donate clothes, couches, and canned foods that you don’t need.

☐ Move-out policy. Do you need to return keys or have the carpet steamed before leaving? Find out from property management any specifics you may need to do before moving out.

☐ Renting a truck, movers, or a storage unit? Call ahead to reserve since lots of other people are moving out at the same time.

☐ Camera time. Take pictures or video of your empty apartment so you have documentation of the condition of the property when you left.

☐ Scrub the tub. Make sure you thoroughly clean the apartment. Save all receipts regarding cleaning (products, professional service, etc.) as proof.

☐ Find out the date when you will get your security deposit back. You are not necessarily guaranteed your security deposit. If there are damages or cleaning needed, the landlord may use money from the security deposit to repair the property.

A landlord has 15 days after termination of the lease to return the security deposit or send a notice by certified mail stating how much is going to be deducted from the deposit and why.

If you have concerns, you must object to the deduction in writing within 15 days of your receipt of the notice or the deductions are authorized. If the notice is not postmarked within 15 days, the landlord forfeits the security deposit. If the property was damaged, the landlord can sue you even when the 15-day notice is not given. Consult an attorney or Student Legal Services before filing any lawsuits.

☐ Keep in touch. Give your landlord your new mailing address and phone number in case they have follow-up questions.

PERSONAL SAFETY

› Be aware of your surroundings at all times.
› Be mindful of what’s going on while you’re on the phone or while wearing headphones.
› Do not walk or exercise alone at night outdoors. If you’re on campus, you can request a ride from SNAP through the UF SNAP by Spare app.
› Do not get in a vehicle with a stranger for any reason.
› Walk in groups and stay in parts of town that are well lit and familiar.
› Consider downloading the GATOR SAFE app. This app pairs mobile GPS technology with existing campus safety infrastructure and allows students to summon help anywhere on campus.

PARTY SAFETY

You must be 21 or older to drink alcohol. If you choose to drink alcohol, be sure to do so responsibly.
UF and the City of Gainesville take alcohol related rules and regulations seriously, so be aware that inappropriate and potentially harmful behavior will not be tolerated and may be punishable.
If you are the host of a party, you can be held liable for the actions of your guests. If there are minors consuming alcohol at your party, even if you personally did not hand them something to drink, you are still deemed responsible for their actions. Be sure to offer non-alcoholic beverage options and have snacks available to curb alcohol’s absorption into the bloodstream.

Below are some tips from GatorWell, UF’s Health Promotion Service, to be aware of when drinking:
› Avoid playing drinking games. They can cause you to drink too much too fast.
› Pace yourself to one or fewer drinks per hour. Alternate drinks with non-alcoholic drinks, such as soda or water.
› Keep track of how many drinks you consume and choose a pre-set limit or limit the number of hours you drink and do not exceed that number.
› Eat a meal before and/or during drinking, preferably with protein.
› Plan how you will get home before going out. Use a designated, sober driver. Know the RTS Later Gator routes and times, or download Uber and Lyft apps.
› Be aware of your surroundings. Use the buddy system and never leave your drink unattended.
› Choose not to drink or go to a place where the main activity is not drinking.
› If you choose to drink, remember that an individual cannot legally consent to sexual activity if he or she is drunk (Blood Alcohol Concentration is .08 or higher).
› Know the signs of alcohol poisoning (unconsciousness, cold, clammy, pale or bluish skin, slow or irregular breathing, unable to stand or walk without help, vomiting while passed out, etc.) and call 911 immediately.

For alcohol safety information, visit the GatorWell website at: gatorwell.ufsa.ufl.edu
APARTMENT/HOUSE/CAR

- Keep your doors/windows to your apartment/home locked at all times.
- Keep bicycles and scooters locked up at all times.
- Keep car doors locked at all times.
- Do not leave valuables in your car. Laptops, textbooks, or clothing are items easily sold and often entice thieves.
- Ensure you have and use a peephole on your front door before opening the door.
- Don’t open your door to strangers and do not let delivery people into your home.
- Only let maintenance workers in if the complex management or your landlord has contacted you to inform you of the date, time, and reason for their visit.
- Ensure that the trees and shrubs around your apartment/house doors and windows are cut back enough so they don’t obscure your view out of your apartment.
- Make sure apartment complex lights are working.
- Contact apartment complex management or landlord for yard work and exterior lighting maintenance immediately.
- If you see someone suspicious, call the police immediately and notify your apartment complex management or landlord.
- Utilize the myGNV app to report any city concerns including missing stop signs, streetlight outages, etc.

LAW ENFORCEMENT AGENCIES

There are three law enforcement agencies in Gainesville that have several programs to meet the needs of students and non-student community members. Visit their websites to find out more:

GATORSAFE APP

Safety resources at your fingertips with UF GATORSAFE mobile app. Smartphone users who download the free GATORSAFE safety app can now report tips to the UF Police Department, make emergency calls, and perform other functions that improve your personal safety and security. Report a crime tip to UF Police (even anonymously), attaching pictures and video. Trigger Mobile BlueLight to simultaneously send your location and call UFPD. Use the Personal Safety Toolbox which contains a flashlight, loud alarm, the ability to send your location, and much more.

VICTIMS SERVICES

The Office of Victim Services provides a civilian support person for anyone who may become a victim of crime while on the University of Florida campus. A Victim Advocate is available 24-hours a day, seven days a week, to provide support for victims of actual or threatened violence. All services are free and confidential.

A Victim Advocate also provides emotional support and can assist with referrals for counseling and other services that may be required. A Victim Advocate can be reached 24-hours daily through the University of Florida Police Department’s dispatch center at 352-392-1111. Victims may also contact an advocate directly on weekdays (Monday - Friday) between 8:00 a.m. and 5:00 p.m. by calling 352-392-5648.

S.A.F.E. (Self-Defense Awareness and Familiarization Exchange)

The SAFE program is taught by nationally certified instructors who are dedicated to helping members of our community become more aware of and better familiar with basic self-defense concepts. The course is a 2-hour class geared toward women. The class starts with a PowerPoint, then progresses into an hour-long physical self-defense familiarization presentation. To register for this free course visit police.ufl.edu.

OPERATION IDENTIFICATION

Operation Identification is a free property registration program provided by the University of Florida Police Department. Operation Identification can be used to register any item with a serial number, including your cellphone, laptop, or tablet.

Bicycle owners are strongly encouraged to register your bicycles with UFPD. A decal must be affixed to bicycles, so bicycle registration is required in-person at the Community Services Division, the UFPD front desk, or by any University of Florida police officer.

Visit police.ufl.edu for more information.
TRANSPORTATION
No car? No worries! Gainesville offers various ways to get around town without a car.

WALKING
Be sure to keep an umbrella with you at all times. The unpredictable Florida weather has plenty of rain with little warning. Also, bring a water bottle to stay hydrated during your walk. Lastly, be safe. Don’t cross the street against the lights, follow all crosswalk signals, stay on the sidewalk, avoid walking alone at night when possible, and always be aware of your surroundings.

BIKES
Gainesville is a bike-friendly city with bike lanes on most roads. Register your bicycle with UFPPD in person at their office located on the southeast corner of Museum Road and Newell Drive. Off Campus Life encourages everyone to wear a helmet. If you need one, visit UFPD and claim yours for free. Cyclists should observe all traffic laws floridabicycle.org

BIKE SAFETY TIPS
› Wear a helmet while riding a bike and/or e-scooter.
› Cyclists must obey all traffic signs, lights, and signals.
› You must ride on the right side of the road with the flow of car traffic.
› When riding on a sidewalk or crosswalk, bike riders must obey pedestrian laws and yield the right of way to pedestrians.
› When riding between dusk and dawn, bikes are required to have a white headlight on the front of the bike and a red light on the rear. Rear lights must be an actual light, not a reflector. UFPPD gives these out for free.

Also, wear bright colored and reflective clothing to make sure you’ve been seen.

› The 20 mph campus speed limit pertains to bicyclists, too.

BIKE SAFETY LAWS & TIPS
Bicycles are vehicles. Traffic violators on bicycles are subject to the same fines as violators in automobiles, $159 for a moving violation, $267 for running a red light, $106-$109 for a non-moving violation, and $57.50 for a violation specific to a bicycle operation.

For more information, go to police.ufl.edu/how-do-i/links-faqs/bicycle-laws

REGIONAL TRANSIT SYSTEM (RTS)
Gainesville’s local bus system has lots of routes that will take you on and off campus. Students pay a transportation fee as part of tuition that allows you to take the bus anywhere on or off campus. Download the GNV Ride RTS app for up to the minute route tracking. Go to go-rts.com for more information on RTS.

SCOOTERS & MOTORCYCLES
In order to park on campus, scooters and motorcycles must have a parking decal. Go to Transportation and Parking Services (TAPS) website at taps.ufl.edu for prices and details. Park only in designated parking locations. If you are younger than 21 years old, you are required to wear a helmet while on scooters and motorcycles.

DECALS
There are different decals available to students depending on the amount of credit hours earned and whether you live on or off campus.

You may purchase your parking decal by visiting taps.ufl.edu/decals. You will need your GatorONE ID, valid license plate number, and all outstanding citations and late fees must be paid before placing your order.

Parking:
On-campus parking requires a decal. Read parking signage, located at the front of every parking lot, to make sure you are parking in the correct location during the correct times.

Parking Map:
Go to taps.ufl.edu/parking-info/ parkingmap and see where certain decal parking lots are located.

Fines:
Go to taps.ufl.edu/parking-info/ citations/ for information about on- campus fines. There are several parking restrictions that are not decal related. It is your responsibility to know and follow all parking regulations.

Appeals:
Parking citations may be appealed online at taps.ufl.edu/parking-info/ citations/. Appeals must be filed within 15 calendar days of issuance of the citation to be accepted and usually take between four to six weeks for a judgment to be issued. The online application may be used to submit initial citation appeals, and to request an appointment for citation reappeals, suspension appeals or impound fees. For more information call 352-392- PARK (7275).

Impound (Boot/Tow):
Accumulation of three or more delinquent parking citations that have a remaining balance due will be grounds for impoundment. Additionally, if you currently have five guilty citations during the academic year and receive a sixth citation during the same academic year, your vehicle may be impounded for excessive citations after receipt of the sixth citation and for each citation thereafter. For additional information on impound rules, go to taps.ufl.edu/parking-info/citations/impound-suspension-information.

PARKING IN THE COMMUNITY
Avoid being towed and/or fined by heeding the following precautions:
› Check for and read all signs that notate parking. Some apartment complexes require a parking sticker or decal for parking, while others do not.
› Check with management to see what parking requirements your complex has.
› Do not park in tow-away zones, fire lanes, or handicapped spots if you do not have a permit.
› If you are a guest, make sure you park in the proper designated area. Some complexes require a visitors parking pass or have designated spots. Guests can be towed, booted, and/or fined for not parking in the proper area.
› If you live in a house, there are city codes regarding parking. Parking is not allowed on the grass or yard on non-game days. Check with the city or your landlord to see where your designated driveway is.
› For more information about parking citations and trespass towing, visit the City of Gainesville website at cityofgainesville.org. To file a complaint please visit the Gainesville Police Department’s website at gainesvillepd.org or call 352-393-7500.

In some areas of Gainesville, there are parking permit requirements. To get a permit, you will need a letter from management or a landlord. See the city’s website at gainesvillefl.gov for more information.

ENERGY-SAVING TIPS FOR RENTERS

Visit GRU’s Resources for Renters page at gru.com/welcome before you sign a lease on an apartment or rental home. Use the tools to investigate the utility history of your potential new place, manage your electric and water use, and keep future monthly utility bills low. Below are tips for tackling the highest energy users in your new home.

Air Conditioning & Heating

› Set your thermostat to 68°F or lower during winter and 78°F or higher during summer. For every degree you stray from the recommended setting, your bill may increase up to 4 percent. Also, keep the thermostat fan in the “auto” position instead of the “on” position.

› Don’t place lamps, TV sets, or other heat producers near your thermostat. The thermostat senses heat from these appliances, causing the A/C to run longer than necessary.

› Use fans and keep the A/C at a recommended setting. Turn off fans when rooms are empty.

Water

› About 80 percent of the energy used for washing clothes is for heating the water. Try washing clothes in cold water, your clothes will be just as clean as if you used warm or hot water.

› Make sure your dishwasher is completely full before running it, then let the dishes air dry. If you don’t have an automatic air-dry switch, turn off the control knob after the final rinse and prop the door open a little.

› Check for running toilets by adding a few drops of food coloring to the water in the tank. If the color shows up in the bowl, contact maintenance to repair the leak.

› Install low-flow showerheads to save 25 to 60 percent in water usage.

Windows

› During summer, close your shades to block sunlight, reduce heat gain, and reduce the time the A/C runs.

› During the winter, open your shades during the day to let in heat from sunlight. Close the shades at night to keep heat from escaping through windows.

› Check for windows that are broken, do not close properly, or need to be caulked. Drafty windows can allow your expensive conditioned air to escape.

Top 10 Curbside Manners for Rental Houses

1. Put your garbage, recycling, and yard waste out the night before garbage day, and take your containers back up to the house after the contents have been collected. Garbage and recycling containers should be stored, when not in use, out of public view and not visible from the street or by neighbors.

2. You must place your waste (leaves and small clippings) in reusable cans or brown paper lawn and leaf bags. Lawn and leaf bags can be purchased at any Publix, Home Depot, and Lowes. Limbs can be no larger than 5 feet long and 8 inches in diameter or weigh more than 40 lbs per piece.

3. Put loose garbage in bags before placing in the cart. This prevents loose garbage from flying out of the cart on windy days and littering the surrounding environment.

4. Never overflow your cart or use your neighbor’s cart. If your cart is full, use the official yellow bags that you can purchase at any Publix or Ace Hardware. Place the yellow bags beside your cart (never on top).

5. Place recycling bins at least four feet away from the garbage cart. This prevents the bins from being tipped over by the garbage truck’s automatic arms.

6. Visit gainesvillefl.gov for a list of what can be recycled.

7. Only plastic bottles, jugs, jars, and tubs are accepted for recycling. No plastic bags, cups, foam, or clamshell restaurant containers.

8. Remember, food contaminated corrugated cardboard is not accepted. Only clean, dry corrugated cardboard (no greasy pizza boxes) can be accepted in the City of Gainesville’s recycling system. All boxes must be broken down into 4’ × 4’ pieces or less and placed in or under the orange bin.

9. All containers must be empty of food residue. Remove and dispose of lids and caps in your garbage.

10. Missed collections can be reported by calling 352-334-2330 or online at gainesvillefl.gov.

Thank you to the City of Gainesville and Solid Waste Division for providing this information.

Garbage Disposal and Recycling for Apartment Communities

Most apartment complexes provide garbage disposal and recycling in set locations. Contact your management office to determine the nearest location to dispose of garbage and recycling properly. If your complex does not offer recycling, contact the City of Gainesville’s Solid Waste Division Office of Recycling 352-334-2330.

Electronics Waste

Large-sized electronic items can be collected by appointment for homes serviced through the City of Gainesville’s Residential Curbside Program. There is no additional cost for this collection service. Smaller-sized electronic items (cell phones, keyboards, mice, cables, etc.) should be dropped off at the Alachua County Household Hazardous Waste Collection Center or other public drop-off sites.

Miscellaneous Items

To find out how and where you can recycle, donate, compost, resell, repair, or properly dispose of almost anything visit zerowastegnv.com.

NUTRITION
You are what you eat. If you haven’t already, try your hand at cooking. Cooking saves money and gives you total control of the ingredients you put into your body.
UF has great nutrition resources including several nutritionists on campus. The Student Health Care Center has a nutritionist; visit their website to set up an appointment: shcc.ufl.edu. UF RecSports also provides Nutrition Services; visit recsports.ufl.edu/fitness/nutrition-services. GatorWell also provides healthy living presentations and resources at gatorwell.ufl.edu.

FOOD ASSISTANCE
If you need help paying for your food, food stamps are available for qualified students at myflfamilies.com. You will need to visit the local Office for Family and Children Services to set up an appointment to complete the application. On campus we have the Hitchcock Field & Fork Food Pantry which provides free, safe, and wholesome food to UF students and staff with the intent of providing a food-secure campus community. Visit them in person or stop by their website pantry.fieldandfork.ufl.edu to learn more about this essential service.

FARMERS MARKETS
Gainesville is surrounded by farms which provide us access to exceptional local farmer’s markets. See below for four farmers markets to support.

› ALACHUA COUNTY: 441market.com/index.html
› GROVE STREET: grovestreetfarmersmarket.com

ON CAMPUS DINING
UF has over 45 dining locations including two all-you-care-to-eat dining halls, a brand-new food hall, favorite national brands, and local Gainesville restaurants.
Meal Plans are an exciting way to meet new friends and build community. Florida Fresh Dining offers diverse selections and convenient options for Gators. Students may also use their meal plan by placing orders through the Transact Mobile Order app, at kiosks, or at registers.
For information about on-campus dining options and meal plans visit the Florida Fresh Dining website dineoncampus.com/uf.
A full-time registered dietitian is available for one-on-one consultations to discuss how dining can accommodate most dietary needs. Text at 352-618-3859 or visit online at floridafreshdining.com for more information.
